Your blessing ceremony takes place on the terrace and lawn area or château ballroom, alternatively you may choose for your ceremony to take place in the charming local church, subject to request, situated directly opposite the château.

Your party will enjoy a wedding breakfast to suit your personal tastes created by our renowned French chef, and evening celebrations tailored to your wishes.

Location and Area

Our magnificent Château du Baffy is ideally situated in the traditional Normandy hamlet of Colombiers-sur-Seulles between Bayeux and Caen, only a 15 minute drive from the beach of Courseulles-sur-Mer. It is renowned for being one of the most beautiful and unspoilt coastlines of France and is perfect for a stroll along the promenade or for extended wedding photography.

Courseulles-sur-Mer town is small but lively with a number of shops, excellent restaurants, cafés and bars. There are plenty of facilities for sport such as tennis courts, a sailing school, a horse riding school, a multisport hall and a heated outdoor swimming pool.

There are three UNESCO World Heritage sites within easy reach of the château, including Mont St Michel, the Bayeux Tapestry and Le Havre.

The Region

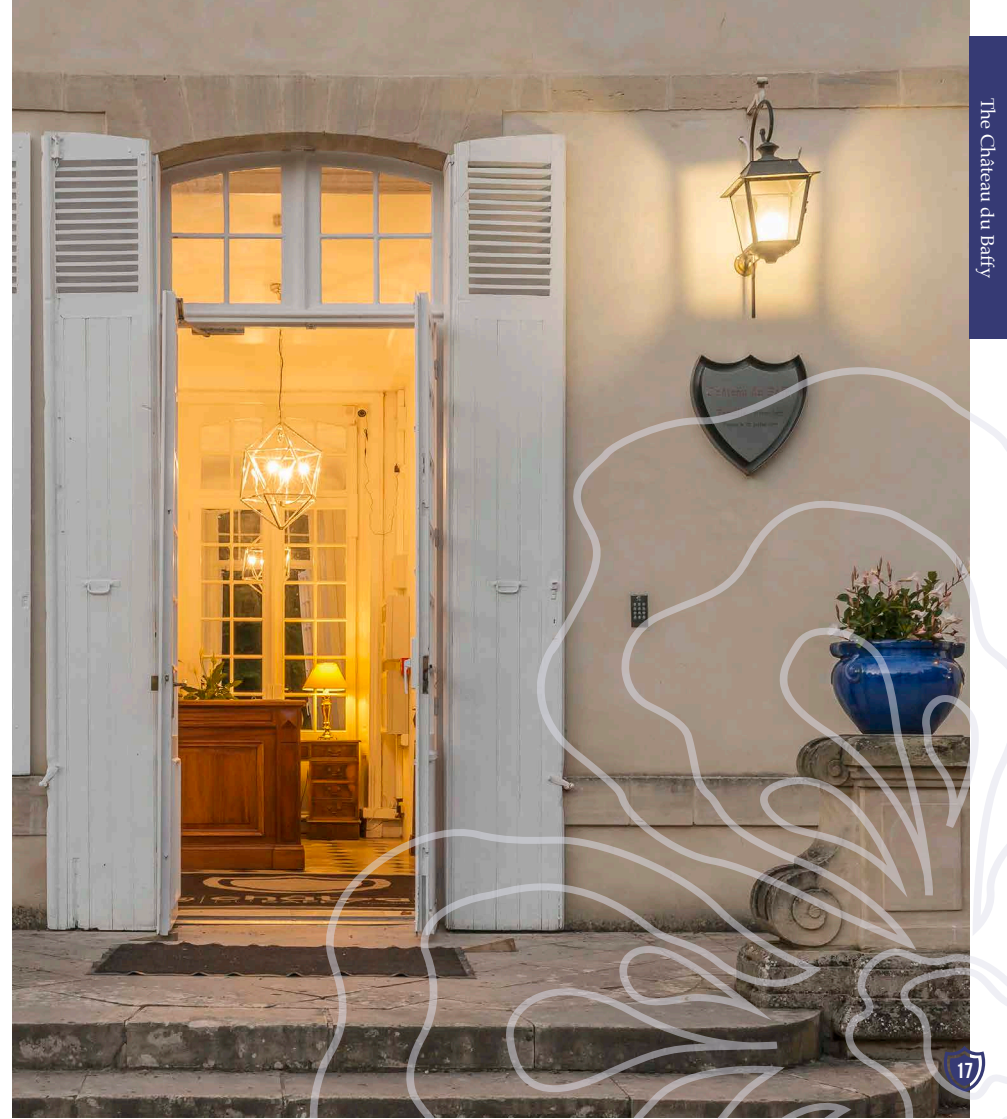

Normandy is a region of stunning beauty, with its thatched cottages, traditional farming and its long coastline stretching from the romantic cliffs and sandy beaches of Seine Maritime in the east, to the wild Cotentin seaboard and the World Heritage Site of Mont Saint Michel and its bay, with its huge tidal range and strong currents.

From the seaside coast, to the fantastic countryside, you can discover outstanding parks and gardens, rivers and beaches, spectacular sightseeing, historical landmarks and much more.

The nearby city of Caen, famous home to William the Conqueror, has many high-end shops and restaurants. If you have any keen golfers within your party, there are many local courses to choose from.

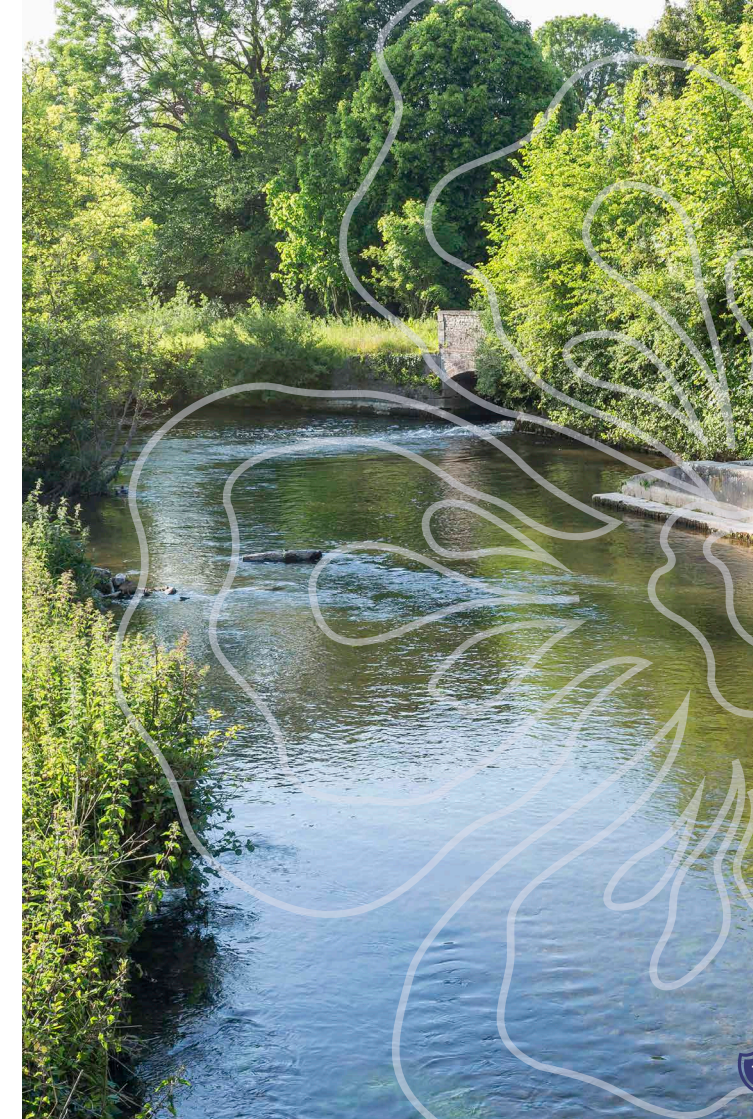

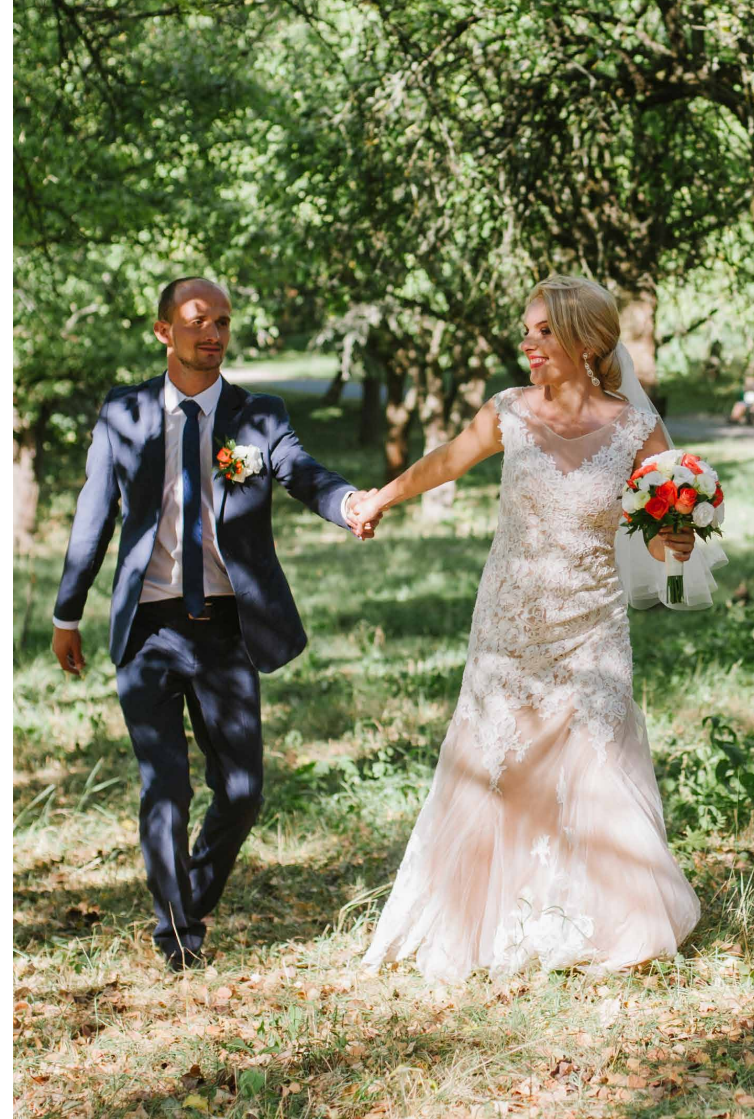

The Métro provides a frequent service to Paris, making it easy to explore the romantic capital city, should you or your guests wish as part of your stay.

The Building and Grounds

The venue is entirely yours to enjoy and share with up to 70 guests in 34 en-suite bedrooms. The château gîte is available upon request, should you prefer a separate area for the bridal party prior to the wedding. Guests can relax with the tranquillity of our lounge, overlooking the sun terrace and mature lawned gardens.

The château comprises two buildings, the main château and the adjacent Villa Mathilde with its own courtyard setting.

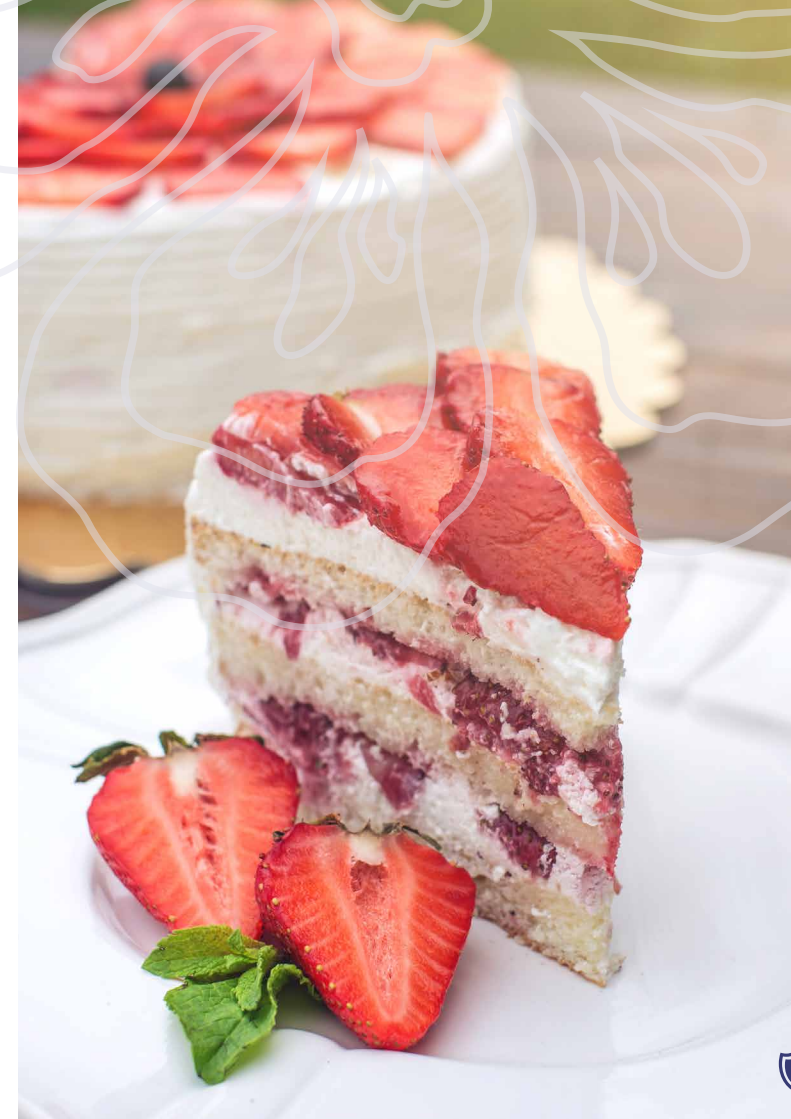

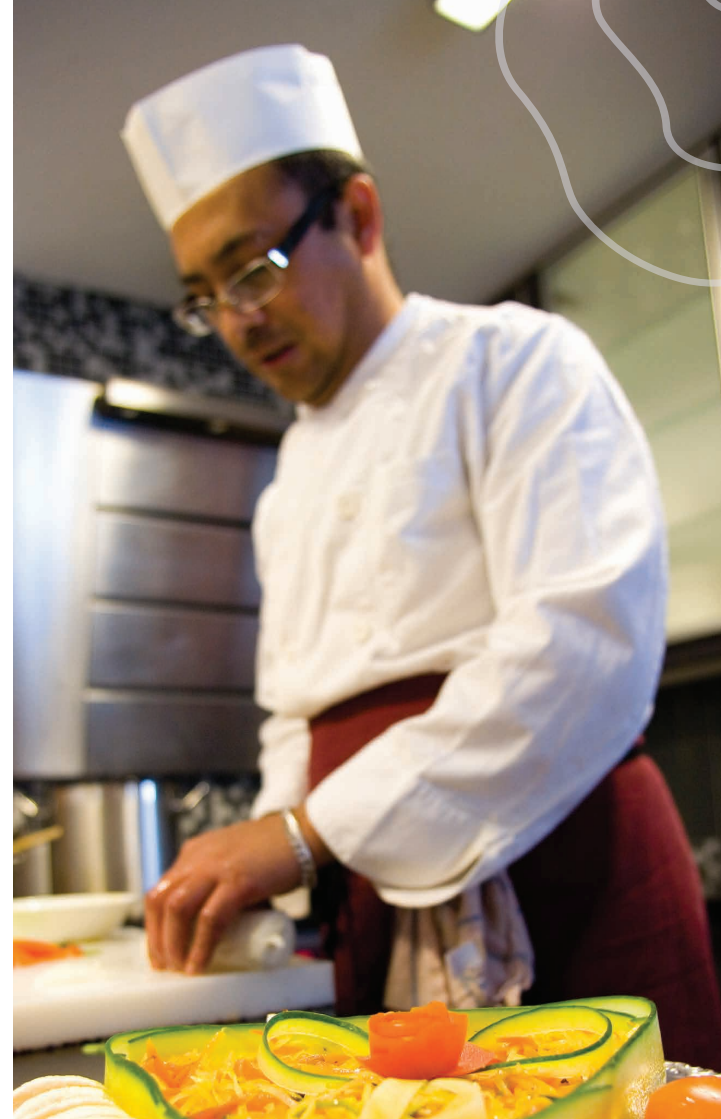

Our French Chef

*Y*our wedding menu is in the accomplished hands of our dedicated French chef, Thierry.

Thierry trained under the head chef for President François Mitterrand, and is also a specialist pâtissier chef, meaning all aspects of your wedding menu are taken care of with expert attention to detail.

History of the Château

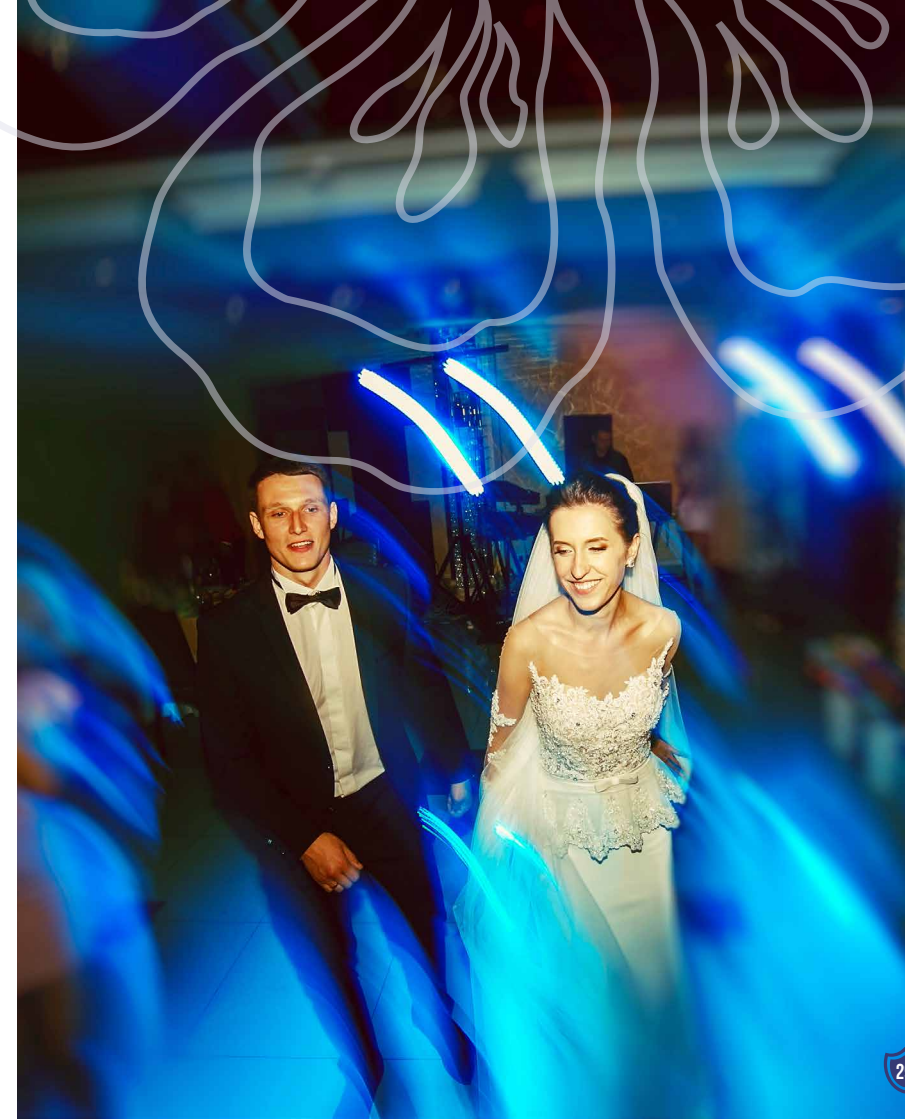

Originally a mill driven by the Seulles River, the Château du Baffy was built around 1735, with extensions added in the late 18th and early 19th Century. In the 1960s the Château was converted into hotel accommodation.

Evening Celebrations

The entire château is available for your evening celebrations with its sun terrace and grounds, château ballroom, lounge bar, Villa Mathilde with marquee (if hired), and there is also a cinema room.

It is possible to hire a PA system for your evening celebrations.
